useful purpose than when added to the materials which compose Benson's capcine porous

plaster. This truly remarkable article is certainly the best remedy for a certain class of

great comfort and strength from its use. For a neglected cough or heavy cold place one over the breast-bone and one between the

shoulder-blades. It is the one and only treat-

ment which should be applied to children

afflicted with whooping cough, ordinary coughs or colds, croup in its early stages or

any lung or chest difficulty. It is also spe-cially recommended for lameness and weak-

ness of the back, rheumatism, sciatica, lum-

bago, kidney disease, sprains and all local aches and pains. It is a great improvement on the common, slow-acting porous plaster,

for it relieves pain at once and cures where

other plasters will not even relieve. Sold by
